The March Show Open division winner was Jessica Ellis riding A Red Hot Miracle. Our Youth Division winner was Kendall Lanier riding Ima Bit Noble. ### ***BBHA History***

*The Borderbelt Horseman's Association originated in 1971. A few fine horsemen and women, who were known for their horsemanship, patience, and work ethic, started our organization. Carr Gibson, Eldon Lamb, Charles Warrick, I.L. Stone, D.T. Lambert, and H.T. Taylor are a few of those founders. Originally, there were multiple horse clubs that made up the Borderbelt Association. Equestrians came from all over the state to participate in open shows filled with fun and fellowship. Over the years, BBHA has been dedicated to generating a family friendly show environment. The BBHA has been instrumental in the development of several AQHA shows such as the Mid-Winter show and the Spring Fling. Our club has a special interest in reaching out to our youth, and appealing to equestrians from all disciplines. We want to welcome all equestrians and their four legged companions to join us, so our club will continue to grow and reach ALL who love HORSES!*
